

DMWC ART ACTIVITES

Express yourself freely & discover the creative spirit within you

We will continue with our art sessions twice monthly. Everybody who is interested in can find us on FB DWMC ART or contact me on 076611248. Our art classes provide relaxation, creative expression, and the perfect break to recharge from your hectic city life. Learn artistic techniques combined with your authentic self-expression and feel encouraged to BE YOU. What do you need is only to bring your own materials and spend 3 hours totally relaxed and creative.

Please contact me for some more information.
